

DEAR MAN Script Worksheet

Free Therapy Tools | Original practice worksheet

Use this worksheet when a concrete result is your main priority. Write a clear, respectful request in your own words. Keep the facts and benefits truthful, and rehearse a script you could say aloud.

Prepare what I want to say

Situation

What is going on?

Objective

What result do I want?

Describe

What are the observable facts?

Express

What do I feel or think?

Make the request and plan my approach

Assert

What am I clearly asking for?

Reinforce

Why would cooperation help?

Mindful

What phrase will I return to if the conversation gets pulled off track?

Appear Confident

How do I want to present myself?

Negotiate

What workable alternatives could I offer?

Rehearse and reflect

Final script

How could the pieces sound together when I say them aloud?

Reflection after using the script

What worked?

Next time

What would I change next time?
