

Type of boundary	Questions to identify your own boundaries	What are my boundaries?	What makes this boundary difficult for me to establish and maintain?
Material/ Financial	- How do you manage your possessions? - Do you lend them out? - Do you have some things that you treasure more than others? - How do you manage your money individually and within your relationships?		
Physical	- What do you consider personal space? - How do you feel about hugging, kissing or greeting people you know or don't know? - How do you react when other people's physical boundaries are different from your own?		
Spiritual/ Religious	- Do you know what you believe in? - Are you open to the opinions of others? - Can you stand up for your beliefs when needed?		
Mental/ Emotional	- Can you separate your feeling from those of others? - Can you be ok when someone else is not? - Can you say no without feeling guilty?		
Sexual	- Do you know your likes and dislikes? - Can you say no confidently and request changes?		
Time	- Do you know how you would like to spend your time? - Can you say no without feeling guilty?
