

Partial Hospitalization Program
Daily Goal Worksheet

I am in week #: _____

When setting your daily goals remember to use the SMART Method	Start at the top with Target 1. If you are currently experiencing any items listed in a given target, please stop at this target and do not move further down the list
S Specific → What will you be doing? M Measurable → how often? For how long? A Achievable → Is it too much? R Realistic → Is it in your control? T Time-Oriented → When do you want it completed?	Target 1 Suicidal/self-harm/ harm to others behaviours & thoughts, medical instability Target 2 Lateness, absences, not doing homework, not participating, medication adherence, etc. Target 3 Life worth living Target 4 What skills do I need to practice? Which ones haven't I tried?

Monday	T1 Y ☐ N ☐	Mood (1-10):	Energy (1-10):	Target: 1 2 3 4
Goal ☐				
Skill(s) Strength(s)				
Tuesday	T1 Y ☐ N ☐	Mood (1-10):	Energy (1-10):	Target: 1 2 3 4
Goal ☐				
Skill(s) Strength(s)				
Wednesday	T1 Y ☐ N ☐	Mood (1-10):	Energy (1-10):	Target: 1 2 3 4
Goal ☐				
Skill(s) Strength(s)
